Subject: Department of Ecology provides Response to Comments on Fish Consumption Rates
Date: Thursday, September 13, 2012 3:28:49 PM

In October 2011, Ecology provided the first draft of the Fish Consumption Rate Technical Support Document for public comment. Ecology received over 300 comments during the public comment period, which closed January 18, 2012.

A detailed Response to Comments document is now available. This document and other information related fish consumption rates is available on Ecology's website at <http://www.ecy.wa.gov/toxics/fish.html>.

Ecology encourages and welcomes your feedback. If you have questions about this announcement, please contact:
